No conflict of interest

This is state that the thesis entitled “Repurposing of paricalcitol in Non-alcoholic fatty liver disease: By targeting the acetylation of FOXO3a and NFκB ” submitted for the SUN PHARMA FOUNDATION RESEARCH SCOLAR AWARD 2024 has no conflict of interest with supervisor and coauthors both academically and financially.

Thanking you.

Sincerely,

Sanjay K Banerjee, Ph.D.

Associate Professor and In-Charge

Department of Biotechnology

National Institute of Pharmaceutical Education and Research
