CERTIFICATE OF COMPLETION

To Whomsoever It May Concern

This is to certify that the submitted research work entitled “*Gemcitabine Loaded Galactosylated Albumin Nanoparticles for the Effective Treatment of Hepatocellular Carcinoma*” for the award of Sun Pharma Science Scholar Awards 2023 has been completed and was solely conducted by Ms. Sanya Batheja under my supervision. Sanya is pursuing PhD under my supervision at Central University of Rajasthan. It is a great opportunity for her to apply for the prestigious “Sun Pharma Science Scholar Awards 2023” for Young Scientists. The mentioned project was completed at the Department of Pharmacy, Central University of Rajasthan.

I wish her all the best for Sun Pharma Science Scholar Awards 2023. I am happy to reply any query regarding her academic performance in future, if any.

With thanks and regards

Umesh Gupta
