

Declaration

I, Aniket G. Patankar, have submitted my work titled 'Epigenetic landscape of testis specific histone H2B variant and its influence on sperm function' for Sun Pharma Science Foundation Science Scholar Award. I hereby declare that I would work in the public or private funded academic/research based organizations for a minimum period of two years after completion of my studies.

Yours faithfully,

28/9/21

Aniket G. Patankar

Ph.D. student,

Dept. of Gamete Immunobiology,

ICMR- National Institute for Research in Reproductive Health
