Subject: Voluntary declaration of applicant commitment to work in academic/research organizations for two years post-completion of studies

Award Committee Chair:

I, Nilu Vijay Gone, am a nominee for the esteemed Sun Pharma Science Foundation Research Scholar Award in the field of pharmaceutical science. I am currently pursuing a Ph.D. in organic chemistry under the supervision of Dr. G. J. Sanjayan at the CSIR-National Chemical Laboratory, Pune, India. This letter serves as my voluntary declaration regarding my career intentions post-graduation. I wish to affirm my commitment to the field of pharmaceutical science in both academic and research landscapes. Upon completing my educational program, I pledge to contribute my skills, knowledge, and expertise by engaging in professional work within public or privately funded academic or research-based organizations for at least two years. I recognize the importance of this pledge and am prepared to fulfill my commitment to research in pharmaceutical science with the utmost sincerity, enthusiasm, and determination, all in the service of advancing human welfare.

Sincerely,

Nilu Gone
