To Whom It May Concern,

I, Dr. Ajay Chhabra, am writing to certify that the research work titled "**Exploring the Potential of AI Models in Conservative Dentistry and Endodontics Applications: A Systematic Review**" submitted by Dr. Ramya KP for the Sun Pharma Science Scholar Fellowship has been conducted by her.

Dr. Ramya KP, a resident at the All India Institute of Medical Sciences (AIIMS), Kalyani, has shown exceptional dedication and competence in her research throughout the duration of her study. Her research will significantly contribute to the field of Conservative Dentistry and Endodontics.

I have personally supervised her work and can attest to the originality and authenticity of her research. She has adhered to the standards of scientific integrity and ethics throughout her study.

Sincerely,

Dr. Ajay Chhabra
