

Hyderabad Eye Research Foundation

To whom it may concern

My student, Ms. Jacquelyn Akepogu, is applying for the Sun Pharma Science Scholar Fellowship and I would like to certify that the research work that she is presenting for this prestigious award has been undertaken by her during her two years in the lab. She is registered for her PhD and will continue to work on this research until completion of her thesis.

Thank you

Sincerely,

Dr. Charanya Ramachandran
