

SUN PHARMA
SCIENCE FOUNDATION

INVITES APPLICATIONS FOR

CLINICAL RESEARCH FELLOWSHIP 2023

SUN PHARMACEUTICAL INDUSTRIES LIMITED

Clinical Research Fellowship 2023

SUN
PHARMA

I am writing to express my utmost gratitude to Sun Pharmaceutical Industry for granting me the opportunity to embark on a clinical research fellowship within your esteemed organization.

I am Paswan Praveenkumar a student of M.PHARM (Pharmacology) at Drs.Kiran & Pallavi Patel Global University, Vadodara.I have also cleared GPAT.I feel thrilled and excited to begin this fellowship, as it represents a significant milestone in my career. I am confident that the exposure and experience I will gain at Sun Pharma will be invaluable in shaping my future as a clinical researcher. The opportunity to work alongside accomplished professionals in the field will undoubtedly provide me with a solid foundation and enhance my understanding of clinical trials, drug development, and the overall research process.

I look forward to beginning the fellowship and becoming an integral part of the Sun Pharma team.
