

Signed Statement

I, Dr. Vipul Janardan, hereby declare that the research work under reference, including my ongoing and completed studies, has not been awarded any fellowship other than those explicitly mentioned in my application. Specifically, the work detailed in this application has not received any financial fellowship or grant beyond the recognition and support provided by my mentors and institution.

In the course of my research, I have had the privilege of receiving guidance and mentorship from Dr. Manoj Kumar. His invaluable support, particularly in the visualization and conceptualization of research plans, has been instrumental in the successful execution of my projects. Dr. Kumar's mentorship extended to critical aspects of my research, including the design, analysis, and interpretation of data, ensuring the scientific rigor and relevance of my work. His supervision has greatly contributed to the quality and impact of the research, for which I am deeply grateful.

While I have independently contributed to the research in terms of data collection, analysis, and writing, the collaborative nature of these projects means that the achievements I present here are also a reflection of the collective effort of all those involved. I acknowledge and appreciate the contributions of my colleagues, co-authors, and support staff who have assisted in various capacities, ensuring the successful completion of the research.

By signing this statement, I affirm that all information provided is accurate and truthful to the best of my knowledge.

Dr. Vipul Janardan
