Ethical Clearance for Sun Pharma Science Scholar Award Project

I, **Daman Saluja** as a supervisor of **Divpreet Kaur**, a Ph.D. student in my lab at DR B.R Ambedkar Center for Biomedical Research (ACBR), University of Delhi, is pleased to inform you that the project titled **“Targeting telomerase using structure-based drug repurposing approach: A therapeutic strategy to investigate anti-cancer potential of FDA approved drug”** submitted for the Sun Pharma Science Scholar Awards does not require ethical clearance as the research work submitted is fully conducted in-silico.

Sr. Prof. Daman Saluja
