## Letter of Recommendation

I am writing this letter of recommendation in enthusiastic support of **Dr. Prashant Kesharwani**, Assistant Professor & Ramanujan Fellow (SERB-DST) at Jamia Hamdard, New Delhi, India for the prestigious "Sun Pharma Science Foundation Research Fellowships -2024 [in Pharmaceutical Sciences category]" for his outstanding contributions and accomplishments in the field of Pharmaceutical Sciences and nanomedicines.

At the young age of 39, Dr. Kesharwani has already been received many international and national prestigious awards such as **"USERN Laureates - 2023"** in Biological Sciences [**FIRST INDIAN TO RECEIVE THIS HONOR**] [*among more than 90,000 applications from all over the world and applications have been carefully reviewed by more than 70 top 1% well-known scientists*], **"Best poster award at Wayne State University USA - 2016"**, and most Prestigious **"Ramanujan Fellowship (SERB-DST)"**. Dr. Kesharwani have been listed in the **"WORLD'S TOP 2% SCIENTISTS" list in year 2020, 2021, 2022 and 2023** in the field of "Pharmacology & Pharmacy" published by Stanford University, USA.

Dr. Kesharwani have received 7 research grants from various funding bodies [ICMR (4), SERB-DST (1), UGC (1) & CCRUM-Ayush (1)]. Dr. Kesharwani have academic (India and Malaysia), research (India and USA) and industrial experience at international level. Dr. Kesharwani research exploring the potentials of use-inspired biomaterials for application in biology and medicine.

He is an experienced researcher, which has always been appreciated by his colleagues and students. I distinguish Dr. Kesharwani to be a candidate of immense research potential and the same reflects well from his bio-data and publications. He has published more than 300 international publications. His cumulative impact factor is 4496.217, total citations are 22459, h-index-78 and i-10 index is 325 (as per bibliometric data of google scholar on August 14, 2024). **He has more than 20 international publications published in very high impact factor journals (such as Progress in Polymer Sciences IF 32.063, Molecular Sciences IF 41.444, Progress in Material Sciences IF 48.580, Drug Resistance Update IF 22.841, Advanced Materials IF 27.4, and Material Todays IF 32.072).**

I am confident that he has the potential and perseverance to fetch this opportunity. Therefore, I strongly recommend him for "Sun Pharma Science Foundation Research Fellowships -2024 [in Pharmaceutical Sciences category]" which he truly deserves. I wish him all success in future.
