

Birla Institute of Technology & Science, Pilani, Pilani Campus
Department of Pharmacy
Dr. Deepak Chitkara, Ph.D., Associate Professor

TO WHOMSOEVER IT MAY CONCERN

It gives me immense pleasure to nominate **Ms. Reena** for the prestigious **Sun Pharma Science Foundation Science Scholar Award (Pharmaceutical Sciences) 2023**.

Ms. Reena pursued her M. Pharm. in Pharmaceutical Biotechnology from Jamia Hamdard, New Delhi with **First Rank** and a **Gold Medal Certificate**. She is pursuing a Ph.D. under my supervision in the area of Pharmaceutical Sciences since September 2019 with a CGPA of 8.45 and is under my close interaction on a regular basis.

She has always been a very earnest and dedicated research scholar in the lab and has acquired brilliant experimental skills along with strong theoretical knowledge in her area of research. **Ms. Reena** has gained considerable experience in the last 4 years in the field of small molecule conjugate synthesis, various nanoformulation strategies, *in vitro* cell culture studies, and *in vivo* animal experiments. Her scientific candidature is well reflected by her 5 international publications and 02 Indian patents (01 patent granted and 01 patent under examination) to her credit. She has good presentation skills and has received many awards at national conferences (02 prizes). Her initiative, drive, and enthusiasm would go a long way in accomplishing the best in her field of interest.

I hereby strongly nominate **Ms. Reena** for the prestigious **Sun Pharma Science Foundation Science Scholar Award (Pharmaceutical Sciences) 2023**.

Thanking You

Yours Sincerely

Prof. Deepak Chitkara
