Sun Pharma Science Foundation

Subject: Certification of Research Work Submitted by Muhammad Sajeer P for Sun Pharma Science Foundation Science Scholar Fellowship

Dear Members of the Selection Committee,

I am writing to formally certify that the research work submitted by Muhammad Sajeer P for consideration in the Sun Pharma Science Foundation Science Scholar Fellowship has been independently conducted by him. As Muhammad Sajeer's PhD supervisor, I have closely supervised his research and can attest to his intellectual and technical contributions to the work. The submitted research, on electric field sensing-assisted nanopore technology is a result of Muhammad Sajeer's dedication, creativity, and rigorous scientific inquiry.

Muhammad Sajeer has consistently shown a strong commitment to research excellence, and their work has the potential to significantly help in developing nanopore protein sequencing technology. I am confident that this submission reflects the high standards of scholarship expected by the Sun Pharma Science Foundation.

Please contact me if you require further confirmation or additional details regarding Muhammad Sajeer and his research work.

Sincerely,

Manoj Varma.
