Dear Saket,

It is my pleasure to inform you that you have been approved to receive financial support in the amount of \$1250 from Gordon Research Conferences' Carl Storm International Diversity (CSID) Award to attend the 2021 Mammalian DNA Repair GRC. Dr. Lee Zou, chair, requested these funds on your behalf.

The Board of Trustees has established the Carl Storm International Diversity award to support the commitment to increasing the diversity of young scientists at Gordon Research Conferences.

The CSID Fund award has been added to the GRC conference budget to support your participation in this meeting.

Please feel free to contact me if you have any questions.

Congratulations and best wishes for an excellent conference!

Kind regards,  
Danielle
