TO WHOM IT MAY CONCERN

This is to certify that **Ms. Ankita Parmanik** bearing registration number **2181606001** enrolled as a full time research scholar in the PhD programme of School of Pharmaceutical Sciences, Siksha 'O' Anusandhan (Deemed to be University) under my mentorship. The research works submitted for Sun Pharma Science Scholar Award 2023, has actually been carried out by her independently. Moreover, this research works are novel and should contribute a good impact to our society. I do strongly recommend her for this award.
