

### **Justification Letter**

I am writing this letter of recommendation as a capacity of an Assistant Professor from the Department of Pharmaceutics at NIPER Guwahati to give my highest possible recommendation for **Mr. Vishal Sharad Chaudhari**, Ph.D. Scholar, Department of Pharmaceutics, worked under my direct supervision. I have closely reviewed his updated candidature and found him eligible to support for this prestigious application process. I have known him for the last 3.0 years being a project guide in his research work throughout his Ph.D. tenure under my direct supervision. He has done excellent work pertaining to interesting cutting-edge drug delivery systems including nanomedicines. He has a demonstrated skill in novel drug delivery systems, nanomedicines, simultaneous analytical method development and validation, 3D printing technology. I have observed that his track record is very impressive with a good track of peer-reviewed research and review publications, book chapters, patents, etc. His work is more on cutting-edge advance translational healthcare research which can solve via drug delivery solution of practical impact from his research covering economic, social, environmental or other benefits.

I am sure that he and his continuous productive activities would be an asset to this prestigious **Sun Pharma Science Scholar Awards 2021**. Therefore, I strongly recommend his application for this award without any reservations. I wish him good luck and elite success in life.

Sincerely,

**Subham Banerjee**, Ph.D., MNASc., MRSC, FICS.

Assistant Professor

Department of Pharmaceutics

National Institute of Pharmaceutical Education and Research (NIPER)-Guwahati  
Changsari-781 101, Kamrup, Assam, India.
