

TO WHOMSOEVER IT MAY CONCERN

I am Dr. Damodharan M, Chief Quality Officer – Global Quality & Regulatory Affairs, Sai Life Sciences Limited, Hyderabad, India. I know Mr. Naveen Kumar V, for his previous works. Naveen Kumar is a highly motivated candidate with good performance in academics. He has excellent research acumen and is capable of carrying out independent thinking and research. He is a Ph.D Research Scholar at SRM College of Pharmacy, SRM Institute of Science and Technology, Kattankulathur, Chennai, Tamil Nadu, India. He has qualified GPAT-2020, received TEREE Dr.A.P.J. Abdul Kalam Young Research Fellowship 2019-2020 and SRM Phoenix Project award 2020 – student category on biomedical applications of graphene based materials.

His research interests include oncotherapeutics, computer-aided drug design, zebrafish model, bio-applications of graphene based nanomaterials, neurodegenerative and cardiovascular diseases. He has published two research papers on osteosarcoma, Alzheimer's Disease and two review papers on Zebrafish model, osteosarcoma in well reputed journals. He got a best presentation awards in 3 international and 2 national conferences. He is a hardworking person and team player. He always has a passion to learn more and advance his research capabilities. He has actually done and published the research work entitled, "Stylophine: A potential natural metabolite to activate vascular endothelial growth factor receptor 2 (VEGFR2) in osteosarcoma therapy". This work focused on WHO Sustainable Development Goal 3 – Good Health and Well-Being. Further research can be conducted using the presented work and even be helpful for other institution like "SUN PHARMA".

I strongly recommend him for Sun Pharma Science Foundation Science Scholar Awards 2023 for young scientists.

Sincerely,

Dr. Damodharan M.

Chief Quality Officer,

Sai Life Sciences Limited.
