I, Dr. Maddika Subba Reddy, hereby declare that our research work on Phosphatase biology titled “EYA protein complex is required for Wntless retrograde trafficking from endosomes to Golgi and SHP-1 dephosphorylates histone H2B to facilitate its ubiquitination during transcription” has not been awarded any Fellowship in the past. This research is original and has not received support or any form of fellowship funding from any institution, organization, or entity.

I affirm that the above statement is accurate to the best of my knowledge and belief.

Best regards,

*M. V. Subba Reddy*

[Dr. Maddika Subba Reddy]
