

I hereby voluntarily declare that upon the successful completion of my studies, I commit to working within public or privately funded academic/research-based organizations for a minimum period of two years. During this time, I am dedicated to contributing my skills, knowledge, and expertise to further the goals of these organizations. This commitment is aimed at fostering the growth of academic and research initiatives and promoting advancements within the chosen field.

A handwritten signature in blue ink, appearing to read "Rakesh Sevak", with a stylized flourish at the end.

Signature of the Candidate 21.8.23
