CERTIFICATE OF COMPLETION

To Whomsoever It May Concern

This is to certify that the submitted research work entitled “*Central Composite Design based Optimization of Carbohydrate Coated Albumin Nanoparticles for HCC: Synthesis, Extensive Characterization and In vivo Pharmacokinetic Evaluation*” for the award of *Sun Pharma Science Scholar Awards 2024* has been completed and was solely conducted by Ms. Sanya Batheja under my supervision. Sanya is pursuing PhD under my supervision at Central University of Rajasthan. It is a great opportunity for her to apply for the prestigious “*Sun Pharma Science Foundation: Science Scholar Fellowships 2024*” for Young Scientists. The mentioned project was completed at the Department of Pharmacy, Central University of Rajasthan.

I wish her all the best for *Sun Pharma Science Foundation: Science Scholar Fellowships 2024*. I am happy to reply any query regarding her academic performance in future, if any.

With thanks and regards

Umesh Gupta
