

TO WHOM IT MAY CONCERN

This is to certify that **Mr. Nabab Khan** is a bonafide PhD student in Academy of Scientific and Innovative Research (AcSIR), at CSIR-Institute of Himalayan Bioresource Technology, Palampur (H.P.), India. I hereby certify that the research work entitled “***Deciphering the Interactions and Complexation Mechanisms of flavonoids with β -Cyclodextrin Derivatives: Experimental Insights and Anticancer Implications***” submitted for Sun Pharma Science Scholar Award is a part of my doctoral work and has actually been done by me. I hereby declare that the work submitted by me doesn't include utilization of *in vivo* experiments on animal models, hence doesn't need any ethical clearance.

Nabab Khan
