The Organization

Sun Pharma Science Foundation,

I am having immense pleasure to recommend **Dr. Meena Gupta, Assistant Professor, Amity Institute of Physiotherapy, Amity University, Sector-125, Noida, India** for **Medical Sciences – Clinical Research awards**. My association with Dr. Meena is since 2015 that is highly influenced by her good knowledge in her field of neurophysiology and neurorehabilitation. Her dedication, versatility and intelligence is well vigilant from her publications, presentations at national and international conferences. She has been an active participant of the various ongoing research project, seminars, conferences, lectures, scientific committee and editorial and review board. I am also impressed by her analytical thinking and practical ability in field of research especially in developmental disability conditions such as cerebral palsy. In case of cerebral palsy where medical and surgical intervention is not much effective in achieving developmental milestone and cognitive enhancement, her research shows drastic change in physical and cognitive domain by employing repetitive transcranial magnetic stimulation and neurofeedback and cognitive exercise. With her innovative research using biomedical interventions she proven that her best ability in field of disability and improve the quality of life for such kind of patient population. She has great contribution in national as well as international level where she proved her ability using her skill, innovation, and treatment research. She was awarded many times best research by International Brain Research Organization who is basically working in this research area. She also got best research award in India in the field of disability by her clinical research

She has my strongest recommendation her candidature for **Medical Sciences – Clinical Research awards hosted by Sun Pharma Science Foundation**. Kindly do not hesitate to contact me for further enquiry.

Dr. Varsha Chorsiya

Assistant Professor, School of Physiotherapy

Delhi Pharmaceutical Sciences and Research University, Govt. of NCT of Delhi
