Vinod K. Singh, FNA, FTWAS

Rahula & Namita Gautam Chair Professor

October 19, 2021

Citation on the Research Work of the Applicant duly signed by the Nominator

“Dr. Rai’s group has developed a comprehensive technological platform for precision engineering of homogeneous antibody-fluorophore conjugates to assist directed image-guided tumor surgery. Besides, the substitution of the fluorophore with a toxin renders antibody-drug conjugates for directed cancer chemotherapeutics.”

Nominator

Vinod K Singh

Former Director, IISER Bhopal
