

To Whom It May Concern

This is to certify that I am being nominated for the Sun Pharma Science Foundation Research Awards (Medical sciences clinical research) 2023, for my clinical research contribution towards ophthalmology. This research work is not under consideration for any other award. I have been lucky to have great mentors who have identified my talent, and guided me in the correct direction, helping me build interest in research-oriented work.

Mariya Doctor, MBBS, DNB

Clinical Fellow,

Cornea and anterior segment,

Shantilal Sanghvi Cornea Institute,

L V Prasad Eye Institute, Hyderabad, Telangana, India
