TO WHOM IT MAY CONCERN

I am writing to formally endorse the nomination of Mr. Amit Kumar for the Sun Pharma Science Foundation Research Fellowships - 2024. Amit is a highly dedicated Ph.D. student in non-medical neurology, whose unwavering commitment to advancing the field through innovative research makes him an ideal candidate for this prestigious fellowship.

Amit has consistently demonstrated a strong passion for neuroscience, particularly in the areas of biomarker discovery, clinical research, epidemiology, and cell and molecular biology. His research is characterized by a rigorous approach, utilizing various methodologies and techniques to yield impactful results. His work on stroke, including the study of genetic polymorphisms, risk factors, and subtypes, has significantly enhanced our understanding of stroke etiology and has provided valuable insights that inform clinical practice and preventive strategies.

In addition to his technical expertise, Amit possesses a unique ability to bridge the gap between fundamental neuroscience and practical applications. Amit's commitment to interdisciplinary studies and his drive to make meaningful contributions to neurology underscore his potential to make significant advancements in the field.

Given his remarkable track record and potential for future contributions, I strongly believe that Amit Kumar is a deserving candidate for the Sun Pharma Science Foundation Research Fellowships - 2024. His innovative mindset and dedication to excellence will undoubtedly drive progress in neurology and make a lasting impact on the scientific community.

Thank you for considering this nomination.

Regards,

Prof Dheeraj Khurana
