

Dear Sir/ Madam

I, Dr. Ashmita Dey, hereby declare that the research work titled " Drug Repurposing and Adverse Effect Prediction Using Knowledge Graphs and Clinical Trial Data" has not received any fellowship or financial support from any funding agency or institution.

This research is an original work carried out by me, and I have taken full responsibility for the conception, design, and execution of the study. Any assistance and contributions from colleagues or collaborators have been clearly acknowledged and credited in the ongoing manuscripts. Specifically, I would like to acknowledge the following contributions:

- **Prof. Ujjwal Maulik:** As my PhD supervisor, Prof. Maulik has continued to guide my research, providing invaluable support in shaping the framework and direction of my work.
- **Prof. Sanghamitra Bandyopadhyay:** In my current position, Prof. Bandyopadhyay serves as my supervisor. Her insightful advice and guidance have been instrumental in helping me understand state-of-the-art methods and effectively incorporate them into my research.
- **Mrs. Mrityika Chowdhury:** A fellow PhD scholar in our lab, Mrityika and I frequently engage in discussions about research ideas. Our brainstorming sessions often lead to the development of innovative concepts.
- **Mr. Aishik Chanda:** Aishik has been a great help with data collection and coding, playing a crucial role in the technical aspects of our research work.

I affirm that my contributions to this research are significant and reflect my individual achievements. All data, analyses, and interpretations presented in this work are the result of my own effort and intellectual input.

Sincerely,

Dr. Ashmita Dey, DST INSPIRE Fellow, JSPS Fellow  
Research Associate III  
Indian Statistical Institute, Kolkata
