

12th August 2024

To Whom It May Concern

I am writing to formally recommend the nomination of my Research Fellow Mr. Sayak Ghosh for the Sun Pharma Science Foundation Scholar Fellowship. As his supervisor at Amity University Kolkata, I have had the privilege of working closely with Sayak for the last 3 years and can also attest to his exceptional capabilities and dedication to the field of mitochondrial bioenergetics related to Gastric cancer.

Sayak has demonstrated outstanding academic performance, consistently achieving high marks in his coursework as well as research endeavors. His recent project on elucidating the role of Pink1 insufficiency as an exploitable target for combinatorial drug therapy with a major emphasis on mitochondrial pathology-mediated cell death in Gastric adenocarcinoma, not only showcases his technical skills but also highlights his innovative approach to solving complex problems. This work has the potential to make significant contributions to therapeutics, health care and pharmacological sciences related to gastric cancer.

In addition to his academic prowess, Sayak has actively participated in several workshops like the 4th GCC2024 Consortium, etc., further demonstrating his commitment to advancing his knowledge and skills. His ability to collaborate effectively with peers and mentors alike has resulted in a productive and enriching research environment.

I firmly believe that Mr. Sayak Ghosh possesses the qualities and determination necessary to excel as a Science Scholar Fellow. This fellowship would not only support his current research but also empower him to make meaningful contributions to the scientific community in the future.

In Conclusion, I wholeheartedly endorse Mr. Sayak Ghosh for the Sun Pharma Science Foundation Scholar Fellowship. I am confident that he will bring honor to the fellowship and contribute positively to the objectives of the Sun Pharma Science Foundation.

Thank you for considering this nomination

Sincerely

Dr. Rudranil De, PhD

Assistant Professor (II)

Amity Institute of Biotechnology

Amity University Kolkata

Major Arterial Road, Action Area II, Kadampukur, West Bengal 700135
