CERTIFICATE OF COMPLETION

To Whomsoever It May Concern

This is to certify that the submitted research work entitled “*Angiopep-2 Grafted PAMAM Dendrimers for the Targeted Delivery of Temozolomide: In-vitro and In-vivo Effects of PEGylation in the Management of Glioblastoma Multiforme*” for the award of Sun Pharma Science Scholar Awards 2023 has been completed and was solely conducted by Mr. Rakesh Kumar Sahoo under my supervision. Rakesh is pursuing PhD under my supervision at Central University of Rajasthan. It is a great opportunity for Mr. Rakesh to apply for the prestigious “Sun Pharma Science Scholar Awards 2023” for Young Scientists. The mentioned project was completed in the time period of 2020-2023 at the Department of Pharmacy, Central University of Rajasthan and published in a reputed peer-reviewed journal i.e., ACS Biomaterial Science & Engineering in the year 2023.

I wish him all the best for Sun Pharma Science Scholar Awards 2023. I am happy to reply any query regarding his academic performance in future, if any.

With thanks and regards

Umesh Gupta
