To whom it may concern

This is to certify that the research work under reference has not been given any award in the past. The list of publications of Dr. Krishnananda Chattopadhyay included his PhD and Post Doc work in addition to his research work as independent investigator of CSIR-IICB. In his PhD and post-doctoral studies, he is the initial author while his advisors are mentioned as the corresponding authors. In his studies from CSIR-IICB, he is typically the corresponding author with few exceptions, which is clearly apparent in the citation. The names of all authors are mentioned in the list of publications.
