

Subject: nomination of Dr Shiju s-clinical research methodology fellowship

I am writing this enthusiastically to nominate Dr Shiju s for the clinical research fellowship programme .He is currently working as a "research medical officer" In Ctn rheumatology programme AT MGIMS Sevagram a project funded by BIRAC .As a research medical officer in our institute Dr Shiju s have shown remarkable ability in understanding and delving into complex medical reasearch ,and he is very dedicated and passionate to learn more about clinical research .In addition to this Dr Shiju s have consistently demonstrated deep commitment to the advancing clinical research field .He have also been a part of various short research projects funded by mgims Sevagram during his Ug days .His professionalism and Passion for rigorous scientific enquiry coupled with innovative approach for problem solving in the area of clinical research have been instrumental in smooth running for the ctn rheumatology programme which is supervised by me.

Therefore I whole heartedly endorse Dr Shiju s for the "sun pharma clinical Research fellowship programme "his inclusion in the fellowship will be not only beneficial for his professional growth but also to the society .

Sincerely
Dr Bharati taksande MD medicine
Professor ,mgims Sevagram
