

To Whom It May Concern

I hereby confirm that the research work under reference has not received any fellowship to date. I am conducting the research work associated with my Ph.D. thesis, titled "*Association of Genetic Polymorphisms and Levels of Apolipoproteins and Lipoproteins with Stroke and Its Subtypes*" under the supervision of Professor Dheeraj Khurana, Department of Neurology, PFIMER, Chandigarh.

I also received collaborative support from the research team in terms of technical assistance and discussions. I respectfully submit my application for the Sun Pharma Science Foundation Research Fellowships - 2024.

Sincerely,

Amit Kumar,

Doctoral Scholar,

Department of Neurology,
