Professor

To

**The Selection Committee  
Sun Pharma Research Awards-2021**

**STATEMENT BY THE APPLICANT**

Herewith, I undertake that the research work under references or citation “Development of diagnostic and therapeutic tools to tackle Alzheimer’s disease and cancer” has not been applied or given any award. The contribution of others associated with some of the research work is mostly involve computational support to the experimental work.

Sincerely yours,

T. Govindaraju
