

SRM COLLEGE OF PHARMACY

(Approved by Pharmacy Council of India)

SRM INSTITUTE OF SCIENCE & TECHNOLOGY

SRM
INSTITUTE OF SCIENCE & TECHNOLOGY
(Deemed to be University u/s 3 of UGC Act, 1956)

Dr. V. Chitra, M.Pharm, Ph.D.
Dean

August 29, 2023

TO WHOMSOEVER IT MAY CONCERN

This is to recommend **Mr. NAVEEN KUMAR V**, Full time Research Scholar (Second Year), Department of Pharmacology, SRM College of Pharmacy, SRMIST – Kattankulathur who wishes to nominate for Sun Pharma Science Foundation Science Scholar Awards – 2023 in young scientists under the category of Pharmaceutical Sciences. I wish to inform you that Naveen Kumar has shown an extremely high level of conversant interest, exceptional enthusiasm and dedication in research activities. He is a passionate, quick learner and has a great desire to learn new techniques in research and development.

He has actually done and published the research work entitled, “Stylopine: A potential natural metabolite to activate vascular endothelial growth factor receptor 2 (VEGFR2) in osteosarcoma therapy”. His research interests in the various fields are oncology, computer-aided drug design, neuropharmacology, cardiovascular pharmacology, pharmacometrics, biomedical applications of graphene nanotechnology and using zebrafish model. He has qualified in Graduate Pharmacy Aptitude Test-2020. Naveen has received two awards namely, Dr. A.P.J. Abdul Kalam Young Research Fellowship with reward of Rs.10,000/- which awarded from TERRE Policy Centre, Pune in 2019-2020 and SRM Phoenix Project Award – 2020 at SRM Institute of Science and Technology, Kattankulathur for the research project proposal focused on biomedical applications of graphene-based materials. Additionally, he had received 5 awards for scientific presentations in various national and international conferences. He had published 4 articles (2 research and 2 review) in peer-reviewed journals. Among that, one research article published in Frontiers journal and one review article published in Elsevier journal. He had given 2 invited guest lectures in other academic institutions. He had a working experience on funded project entitled “Neurobehavioral analysis of Luteolin using Zebrafish model” received from SRMIST.

I strongly recommend him and forward to receive Sun Pharma Science Foundation Science Scholar Awards – 2023 for young scientists under the category of Pharmaceutical Sciences without any reservation.
