### Forwarding Letter for Dr. Mrinal Patnaik

Dear Sun Pharma Science Foundation,

I am writing to bring your attention to the dedication of Dr. Mrinal Patnaik, who has been an integral part of our esteemed Department of Forensic Medicine and Toxicology at the All India Institute of Medical Sciences, Bhopal.

Dr. Patnaik's commitment to his research and academic pursuits has been truly commendable. Under the guidance and direct supervision of our team, he has conducted a rigorous and genuine research project titled "*Determination of viability of spermatozoa obtained posthumously from dead bodies brought to the mortuary of AIIMS Bhopal with varying post-mortem interval*," as part of his pursuit of an MD in Forensic Medicine and Toxicology.

As Dr. Patnaik's direct mentors and supervisors, we can confidently attest to his academic integrity and the depth of his contributions to the field. His work has been carried out with the utmost diligence and professionalism, reflecting his deep passion for advancing knowledge in the realm of Forensic Medicine and Toxicology.

It is worth mentioning that Dr. Patnaik has consistently demonstrated a strong work ethic, intellectual curiosity, and a collaborative spirit within our department. He has secured grants from International Committee for Red Cross and International Association of Forensic Sciences to support his research projects in the department and his commitment to academic excellence and ethical research is truly inspiring to both his peers and mentors.

Considering his exceptional qualities and achievements, we wholeheartedly recommend Dr. Mrinal Patnaik for the Sun Pharma Science Foundation Science Scholar Awards. We are confident that he will continue to excel and contribute significantly to growth and success of bio-medical sciences.

Please feel free to reach out to us if you require any further information or clarification regarding Dr. Patnaik's capabilities and potential.

Sincerely,

*Arora*  
26.8.23.

Prof. Arneet Arora  
Professor and Head,  
Department of Forensic Medicine and Toxicology,  
All India Institute of Medical Sciences, Bhopal.
