Letter of Support From Host Institution

This is to certify that the Institute welcomes participation of **Dr. Beebi Ameena**, working as **Assistant Professor at Mysore Medical College and Research Institute, Mysuru** for the project titled, **“Efficacy of Tebipenem and Meropenem with adjuvant combinations against drug resistant gram negative bacilli”** under the 2024 Call for Nominations for Sun Pharma Science Foundation Clinical Research fellowship scheme.

NCBS-TIFR is well equipped with state-of-the-art research facilities and **Dr. Beebi Ameena** will have full access to all our research facilities, details of which can be accessed at <https://www.ncbs.res.in/facilities/research> for implementing the project. NCBS-TIFR will also provide required infrastructure and administrative support to **Dr. Beebi Ameena** for the duration of the award.

Please do not hesitate to contact me for any queries in this regard.

With Best Wishes,

Prof. LS Shashidhara
Centre Director, NCBS-TIFR
