TO WHOMSOEVER IT MAY CONCERN

I am pleased to recommend **Mr. Naveen Kumar V**, a full-time research scholar in the Department of Pharmacology at SRM College of Pharmacy, SRMIST – Kattankulathur, for the Sun Pharma Science Foundation Science Scholar Fellowships – 2024 for young scientists in the category of Pharmaceutical Sciences.

Mr. Naveen Kumar V has demonstrated an exceptional level of commitment, enthusiasm, and expertise in his research activities. His dedication and eagerness to learn new techniques in research and development are truly commendable.

He has conducted and published research on the topic titled, "Computational Therapeutic Repurposing of Tavaborole Targeting Arginase-1 for Venous Leg Ulcer". Mr. Naveen Kumar V qualified the Graduate Pharmacy Aptitude Test (GPAT) in 2020 and has been recognized with several awards, including the Dr. A.P.J. Abdul Kalam Young Research Fellowship, awarded by the TERRE Policy Centre, Pune in 2019-2020, and the SRM Phoenix Project Award – 2020 from SRM Institute of Science and Technology for his research proposal on biomedical applications of graphene-based materials.

Additionally, he has received six awards for scientific presentations at various national and international conferences. Mr. Naveen Kumar V has published five articles (four research articles and one review) in peer-reviewed journals, including one in *Frontiers* and three in *Elsevier* journals. He has also delivered two invited guest lectures at other academic institutions and worked on a funded project titled "Neurobehavioral Analysis of Luteolin Using the Zebrafish Model" at SRMIST.

Given his outstanding achievements and contributions to the field, I strongly recommend Mr. Naveen Kumar V for the Sun Pharma Science Foundation Science Scholar Fellowships – 2024 for young scientists in the category of Pharmaceutical Sciences.
