TO WHOMSOEVER IT MAY CONCERNS

I am immensely pleased to nominate **Mr. Prabhjeet Singh** for the prestigious **Sun Pharma Science Foundation Science Scholar Award (Pharmaceutical Sciences) 2024**.

Mr. Prabhjeet Singh completed his Master's in Pharmacy (M.Pharm.) in Pharmacology from Jamia Hamdard, Hamdard University, New Delhi. Currently, he is pursuing Ph.D. under my supervision in the field of Pharmaceutical Sciences since August 2018, and I have been interacting with him very closely on a regular basis.

He has always been a dedicated research scholar in the lab and has acquired deep scientific knowledge and experimental skills in his field of research. **Mr. Prabhjeet** has been granted with prestigious DST-INSPIRE-JRF and SRF awards under my supervision. He has been a diligent researcher and gained considerable experience in Pharmaceutical Sciences in the last 6 years. He has acquired good skills in designing and synthesizing polymers, Hands-on experience in various analytical techniques (HPLC and LCMS/MS), nanoformulation preparation and characterization, *in vitro* cell culture, and *in vivo* animal models. His rigorous effort is reflected well with 01 patent, 08 publications in peer-reviewed journals, and 2 research papers in the pipeline.

He has good presentation skills and works comfortably with fellow scholars and collaborators, demonstrating exceptional teamwork, which would go a long way in achieving the best in his field.

I strongly nominate **Mr. Prabhjeet Singh** for the prestigious **Sun Pharma Science Scholar Award (Pharmaceutical Sciences) 2024**.

Thanking you,

Yours Sincerely,

(Dr. Deepak Chitkara)
