To,

The Selection Committee,

Sun Pharma Science Foundation, New Delhi

Subject: Brief Summary of Research Work - Sun Pharma Science Scholar Award

I am writing to provide a concise summary of the research work conducted by Mr. Srikanta Padhan, the applicant for the Sun Pharma Science Scholar Award. The research project titled "Assessment of the Impact of COVID-19 on Drug Store Management in a Tertiary Care Teaching Hospital of Central India" aims to analyze the effects of the COVID-19 pandemic on drug store management within a prominent tertiary care teaching hospital in Central India.

Mr. Padhan's study employs a comprehensive methodology that investigates the challenges faced by the hospital's drug store management in ensuring a consistent supply chain during unprecedented times. The research emphasizes the necessity of adaptability and resilience in maintaining the availability of essential medications and medical supplies.

The project's significance lies in its potential to contribute valuable insights into managing healthcare resources during crises and improving drugstore management practices. Mr. Padhan's dedication to ethical research practices is evident in the thorough consideration of participant safety and the approval obtained from the Institute Ethics Committee.

The outcomes of this research can influence not only the studied institution but also serve as a foundation for enhancing drug store management strategies in healthcare facilities facing similar challenges globally.

Please feel free to contact me if you require further information or clarification regarding the research work conducted by Mr. Srikanta Padhan.

Sincerely,

Nominator/Supervisor:

Dr. Nitinkumar Borkar

डॉ. नितिनकुमार बोरकर

Additional Professor
