**Subject: Regarding Nomination of Ms. Kasturi Ganguly for Sun Pharma Science Foundation Science Scholar Award**

I am writing to certify that the research work submitted by Ms. Kasturi Ganguly for the Sun Pharma Science Foundation Science Scholar Award has been genuinely conducted by the applicant.

Presently, Kasturi is working towards completion of her thesis Ph.D. entitled “Deciphering the Mechanisms of Innate Immune Surveillance in Prostate cancer for Immunotherapy” under my supervision at Indian Council of Medical Research-National Institute for Research in Reproductive and Child Health (ICMR-NIRRH). Throughout the course of this project, she displayed a remarkable level of commitment, expertise, and enthusiasm. She was actively involved in all stages of the research process, from the formulation of research objectives to drawing insightful conclusions from the findings.

I wholeheartedly support the application of Ms. Kasturi Ganguly for this prestigious award.

Best regards
