**PHARMACY.**  
(A CONSTITUENT UNIT OF DMIHER)

**Date:** 18<sup>th</sup> July, 2024

I, Dr. Rahul G. Ingle, Professor working with Datta Meghe College of Pharmacy, DMIHER (Deemed to be University), Sawangi (M), Wardha hereby concluded that the research work under reference has not been given any fellowship and not applied elsewhere.

I have done my post-doctorate from College of Pharmaceutical Sciences, Zhejiang University, China. I have worked on biopharmaceuticals formulations and analysis during post-doctorate. My team who worked with me get their credit as a co-author in the publications.

Now, I am thinking to continue same work in the India and train many PG and doctoral students in the same area. It would be benefit their carrier and may be bridge up academia and industry gap. To initiate such kind of work need funding support.

All the information given above is true and correct to the best of my knowledge.

Thanks and regards.

**Dr. Rahul G. Ingle, Ph.D., Post-doc.**
