## LETTER OF RECOMMENDATION

I am glad to sponsor the nomination with recommendation of **Mr. Suvadeep Mal** for "Sun Pharma Science Scholar Award 2023". He is working as a PhD research scholar (Reg. No. 2081606007) at School of Pharmaceutical Sciences, Siksha 'O' Anusandhan (Deemed to be University) from 21.12.2020 till date on the development of flavonoid-nano drug delivery systems against drug resistant breast cancer and MDR pathogens under the supervision of Prof. P. Sudhir Kumar and Prof. P. Roy. He is having 2.7 years of research experience with 7 international publications in reputed science citation indexed journals (with a cumulative impact factor more than 30) and 5 book chapters in reputed publishers like Springer, Taylor and Francis and Nova Science. He has also worked on **India-ASEAN collaborative DST/SERB project** entitled "**Luteolin Engineered Bio-Safe Gold Nanosystems for Targeted Therapy against Triple Negative Breast Cancer**" as JRF and presented his work in international scientific conferences of repute, among which it has been recognized as **best paper in National conference** on "Research and Industrialization in Pharmaceutical Sector: Odisha Prospective" sponsored by Indian Pharmacy Graduate Association in 2023.

He is skilled in method development for the synthesis of gold nanosystems with various phytochemicals. He is a ready-to-go researcher for synthesizing and interpreting complex organic compounds also. He is skilled in handling several high facilitated instrumentations like UV, FTIR, Flash Chromatography, HPLC, TEM, Zetasizer etc. and computational techniques like CADD, Molecular Docking, MD Simulation.

He is avid and hardworking researcher. His dedicated, result-driven hard works and professional approach makes him an appropriate applicant for Sun Pharma Science Scholar Award 2023. I wish him all the best.
