

AMITY UNIVERSITY

CHHATTISGARH

AMITY INSTITUTE OF BIOTECHNOLOGY

Letter to the Evaluation Committee

Date – 21/10/2021

Dear Committee Members,

It is with great pleasure that I nominate Dr. Sushant Singh, Associate Professor, Amity Institute of Biotechnology, Amity University Chhattisgarh for consideration for the Sun Pharma Science Foundation Research Awards-2021, in the Category of Medical Science Basic Research. In addition to performing the job of an academician at an exemplary level at the University, Dr Sushant Singh shows an extraordinary commitment towards the development of Research and Development at the Department and University level overall.

Dr Sushant like to take things upon himself and provide quite exceptional support towards the development of R&D and academic related services to all the young faculty and staff. He quickly discerns the individual needs related to academics and R&D and moves quite efficiently to provide the support and information required to the young faculty and students. Dr Sushant has made quite a difference at our University. He has exemplified the mission of the university for the development of research and innovation and has positively impacted the students and young faculties in the university surroundings. His knowledge, research, and development skills and more importantly willingness to help other and dedication for the university community and its development makes a wonderful ambassador of our university.

I have no hesitation in nominating him for the Sun Pharma Science Foundation Research Awards-2021, in the Category of Medical Science Basic Research.

Ravi Kant Singh
