Dear Members,

I am writing to nominate **Dr. Manjusha A. Shinde** for the Sun Pharma Clinical Research Fellowship. As the Head of the Institute at AIIMS Kalyani, I have witnessed Dr. Shinde's exceptional dedication to medical research and education in her specialized field of neurocognition and clinical physiology.

Dr. Manjusha Shinde holds an M.D. in Human Physiology and a Diploma in Otorhinolaryngology, complemented by a Professional Diploma in Clinical Research. She has been part of our institute as Assistant Professor since December 2022. Her extensive academic background is reflected in her numerous publications, including significant studies on diabetic neuropathy and cognitive functions in various populations. Notably, her research has contributed valuable insights into the impact of neurocognitive functions on adolescent mental health.

In addition to her impressive research portfolio, Dr. Manjusha Shinde actively engages in teaching and training, receiving positive feedback from her undergraduate students. Her commitment to medical education is evident in her participation in the FAIMER fellowship program and her role as an instructor for Basic Life Support, where she demonstrates leadership and a passion for empowering future healthcare professionals.

Given her extensive research experience, dedication to education, and leadership in implementing health services, I strongly believe that Dr. Manjusha A. Shinde would be an exemplary candidate for the Sun Pharma Clinical Research Fellowship. She possesses the drive and expertise necessary to excel in this program and contribute meaningfully to the field of clinical research.

Thank you for considering this nomination. I am confident that Dr. Manjusha Shinde will make a significant impact through your esteemed fellowship.

Sincerely,

Ray 30-10-24
