

A signed statement by the applicant that the research work under reference has not been given any award. The applicant should also indicate the extent of the contribution of the others associated with the research and he/she should clearly acknowledge his/her achievements

Certified that the research work detailed in the relevant section has not yet been already recognised by any award.

Certified that I am the Principal Investigator, and the corresponding author for the research work detailed in the relevant section, and the co-authors in most of these publications are my PhD students. In two publications (Cell Death & Disease 2018, 9: 201 | J Cell Sci, 2016, 129: 3541), authors include collaborators who shared reagents and assay platforms.
