Dear Members of the Selection Committee

Sub: Citation on the Research Work of Dr. A. Jesu Arockiaraj- Reg.

I am honored to nominate **Dr. A. Jesu Arockiaraj** for the Sun Pharma Science Foundation Research Fellowships 2024 in the category of pharmaceutical sciences. He has made exceptional contributions to the field, demonstrated by an impressive body of work that spans numerous high-impact publications, significant research projects, and global recognition. To date, Dr. Jesu Arockiaraj has published a remarkable 311 papers in journals with impact factors, accumulating a total impact factor of 1203.933. This extensive publication record is further underscored by 6,521 citations, reflecting the profound influence and widespread acknowledgment of their work in the scientific community. He also boasts an H-Index of 43, a testament to the consistent quality and relevance of their research outputs. Beyond journal publications, He has contributed to 7 journal proceedings, authored 5 chapters in books, and published 2 books, further enriching the academic and scientific discourse in their field. Additionally, they have written 61 general and semi-scientific articles in popular journals and magazines, making their research accessible to a broader audience. Their active engagement with the academic community is evident from the 82 papers presented at international conferences and 55 at national conferences. They have also been invited to deliver 21 talks, showcasing their expertise and leadership in the field. He has conducted 11 programs, attended 19 workshops/training programs, and mentored 24 Ph.D. students and 5 postdoctoral fellows, shaping the next generation of researchers. In terms of research innovation, He has successfully led 13 research projects and has been granted 2 patents, further contributing to advancements in pharmaceutical sciences. Their commitment to genomic research is highlighted by 285 GenBank sequence submissions, underscoring their dedication to expanding the frontiers of knowledge. **Dr. A. Jesu Arockiaraj** is a distinguished researcher whose contributions to pharmaceutical sciences are both profound and far-reaching. Their outstanding research achievements, coupled with a strong commitment to mentoring and innovation, make them highly deserving candidates for the Sun Pharma Science Foundation Research Fellowships 2024.
