August 29, 2024

Selection Committee Members

Sun Pharma Science Foundation Research Fellowships 2024

I hereby certify that the antibody fluorophore conjugates (AFCs) and antibody-drug conjugates (ADCs) under reference have not been awarded. I designed the related research questions, hypotheses, and planned the research on the precision engineering of proteins. The extraordinary contribution of my team members made it possible to establish these platforms.

Yours sincerely,

Dr. Vishal Rai

VISHAL RAI
Professor
Department of Chemistry
IISER, BHOPAL-462066
