## To Whom It May Concern

I certify that Dr. Haripriya P.S. (KHIDR4PHR22004), BAYER Fellow, Ph.D. student registered on June 1, 2022, has independently conducted the research titled "Memantine for the prevention of radiation-induced cognitive dysfunction in brain metastases patients – a randomized placebo-controlled trial CTRI/2022/01/039599" under my supervision.

Dr. Haripriya's dedication and meticulous work are evident in her study design, data collection, patient follow-up, analysis, and publications. She also presented this trial's interim report at ACTREC Tata, showcasing her progress and findings.

I strongly support her application for the Sun Pharma Science Foundation Science Scholar Fellowship.

Sincerely,

Dr. Debnarayan Dutta, MBBS, MD, PhD  
Professor and Head,  
Department of Radiation Oncology,  
Amrita Institute of Medical Sciences and Research Centre,  
Kochi, Kerala, India
