

Date: 11/07/2023

To,

Sun Pharma Science Foundation

I am writing to nominate Mr. Kunal Bhattacharya for the esteemed Sun Pharma Science Foundation Research Awards of the year 2023. I am delighted and assured to present this nomination, acknowledging his remarkable contributions and exceptional accomplishments in the area of pharmaceutical research. Mr. Bhattacharya has played a crucial role within my research team at PIPS, consistently exhibiting a strong dedication, enthusiasm, and exceptional aptitude for research. His contributions have played a crucial role in advancing our understanding of diverse therapeutic domains, with a particular emphasis on the field of drug discovery and development.

Mr. Bhattacharya's research findings have been published in renowned peer-reviewed journals, showcasing the quality and significance of his work. He has consistently demonstrated his ability to disseminate his research findings effectively, contributing to the scientific community's knowledge base.

Considering the aforementioned qualities and achievements, I strongly believe that Mr. Kunal Bhattacharya is an ideal candidate for the Sun Pharma Science Foundation Research Awards - 2023. His dedication to advancing pharmaceutical sciences, coupled with his exceptional research acumen, makes him a deserving recipient of this prestigious honor.

I sincerely hope that you will consider his nomination favorably, recognizing his remarkable contributions to the field. Should you require any further information or supporting documentation regarding Mr. Bhattacharya's research, please do not hesitate to contact me at your convenience.

Thank you for your time and consideration.

Yours faithfully

Dr. Satyendra Deka
