CERTIFICATE OF COMPLETION

To Whomsoever It May Concern

This is to certify that the submitted research work entitled “*Biotin Engineered HPMANanoparticles and Effective Targeting of Bortezomib: In Vitro and In Vivo*” for the award of Sun Pharma Science Scholar Awards 2021 has been completed and was solely conducted by Ms. Sarita Rani under my supervision, who is pursuing PhD under my supervision at Central University of Rajasthan. It is a great opportunity for Sarita to apply for the prestigious “Sun Pharma Science Scholar Awards 2021” for Young Scientists. The mentioned project was completed in the time-period of 2018-2020 at Department of Pharmacy, Central University of Rajasthan. Ms. Sarita is known to me since 2014 when she admitted in M. Pharmacy.

I wish her all the best for Sun Pharma Science Scholar Awards 2021. I am happy to reply in any query regarding his academic performance in future.

With thanks and regards

Umesh Gupta
