Recommendation for Sun Pharma Science Foundation Research Fellowships -2024

Name of the Applicant Dr.A. Suvitha
Designation Associate Professor
Name of Institute CMR Institute of Technology

Dr. A. Suvitha have been working in the field of spectroscopic data analysis and Quantum computational studies for more than 15 years (from 2006 onwards). Her current research interests include Spectroscopy, Bio molecular spectroscopy, Quantum Computational studies, Computational methods for molecular assignments and computer aided drug design. She received many Awards during her career as a research fellow and academic professor. She has reviewed several papers for internationally reputed journals like chemical data collections, Journal Molecular liquids, etc. Currently she is guiding 3 research scholars under visvesvaraya technological university Belagavi, Karnataka. She was nominated for WOS A project from DST, Young Research scientist, NIT, Trichy and received Gold medal from Dr.A.P.J Abdul Kalam in M.Phil (2006) for securing first rank in Mother Teresa Women's University. She won numerous Best Researcher Awards from both national and international organizations. She have presented many papers (Oral and Poster) in national and international conferences. At present she has applied for several projects under various schemes. Overall, she published more than 72 international journal Scopus papers with high impact factors in reputable journals connected. She has filed 7 product patents, which are published and one got the grant recently. Also she published a book co-authored with international professors from the Functional Food Centre Inc. USA, which is accessible on AMAZON and two more books yet to publish by this year. She reviewed many reputed journal papers and served as keynote speaker, guest lectures and jury member in various topics for National and International universities.

It is certified that the candidature of the above applicant, who has applied for Sun Pharma Science Foundation Research Fellowships is correct to the best of my knowledge and belief. I strongly recommend her for Sun Pharma Science Foundation Research Fellowships -2024.

Signature of Recommending Officer

Name: Dr. Raveesha K H

Designation: Head of the department, Associate Professor

Address: CMR Institute of Technology, Sri Nivasa Reddy Layout, AECS Layout, Marathahalli, Bengaluru, Karnataka 560037

Email: hod.physics@cmrit.ac.in

Date: 19/7/2024

Head-Department of Physics
