Dear Sir,

Subject: Confirmation of Ethical Clearance for "Investigation of antiparkinsonism activity of *Mucuna pruriens* hydroalcoholic extract via GLP1 modulation in Parkinson model"

I am pleased to inform you that the project titled "Investigation of antiparkinsonism activity of *Mucuna pruriens* hydroalcoholic extract via GLP1 modulation in Parkinson model" submitted for consideration under the Dr.Nitesh kumar (supervisor) and student Md Abubakar(PhD research scholar) has received ethical clearance from the IAEC The ethical clearance was granted and confirms that the project adheres to the necessary ethical standards and guidelines for research.

The ethical clearance process included a thorough review of the project's methodology, consent procedures, and potential impacts, ensuring that all ethical considerations were adequately addressed. This approval is essential for the advancement and implementation of the project and underscores our commitment to conducting research with the highest ethical standards.

Thank you for your attention to this matter.

Sincerely,

Dr. Nitesh Kumar
